

Brechin Castle Equestrian Update

Well we all seem to be having a packed summer with a great choice of events all over Angus and beyond! Pity the weather didn't always behave but unfortunately we have no control over that!

Just a reminder of events at Brechin Castle Equestrian this month :

We've added in an extra Unaffiliated Showjumping this wed – 20th July, with heights of 1ft9 – 2ft6/ 2ft9 depending on the light. 6pm Start.

The Unaffiliated Dressage is now on Sunday 24th 10.00 am start. Dressage riders please get your entries in asap as the closing day is Friday at 12.00 mid day. Times will be on the website after 7pm on Friday.

The higher Unaffiliated Showjumping is on Wed 27th with heights starting at 2ft6. 6pm start.

Entries have been coming in for John Clenaghan's SJ Clinic on Sunday 31st , and also for the JumpCross Competition on Sunday 5th August. The closing date for this competition is Thurs 4th Aug at 12.00 mid day.

It's great to see so many riders using the showfield and hiring the XC, Nat Fences and the Showjumps. Facilities Hire forms can be downloaded from our web site www.bcequestrian.com or if you want to hire any of the facilities at short notice please contact me on 07815 986 980. I usually have my Showfield diary near me!

We were delighted to welcome Angus Pony Club back to Brechin Castle for their summer camp. It was lovely to see the Showfield stables full of ponies – a big change from the eventers at the ODE! Hope you all enjoyed yourselves despite the deluge mid week!

A huge thanks goes to Heather Bowman for another successful World Horse Welfare Show. The rain stayed away for most of the day apart from a short shower so we were very lucky (given the forecast!) and it was a really enjoyable day.

Hope you're all enjoying the summer so far with your 4 legged friends!
